

Monday January 15th , 2018

Dear Parents,

Beginning in February the St. John Fisher Sr. Daycare will be offering extra-activities at lunch at a **flat rate of \$80.00**. The daycare will be covering all additional costs of the class. If you would like to sign up your child/ren in any of these activities, please fill out the form below and **return it to Ms. Laura at the latest Friday January 26th, 2018**. You may pay online or by cheque. All payments may be dated January 31st at the latest.

Due to limited spaces, the activities are filled on a first come basis.

See back for program details 

Enviro Cook Worx: *Imagine taking your taste buds around the world from Italy, Armenia and even down under to Australia. This program will teach students to make unbelievably delicious foods such as spreads, dips, and more using seasonal produce. They will also learn to grow fresh herbs and use them in their creations to take home.*

Red Cross Babysitting: *Teaches all the skills needed to care for children. Topics include playtime, hygiene, and diaper changing safety & emergencies. Simple meal preparation and more. Certificates and manual included.*

Ceramics: *Projects include ceramic painting, glass fusion, mosaics & more.*

Mad Science: *Introduces students to the growing field of robotics. Students work on electrical circuits, programming, alternative energy sources, and finish up with construction their very own robot that they get to bring home and keep*
