

St. John Fisher Sr. Daycare Program

2017-2018

This year the school board created a standardized information booklet that will be used by all daycares in the LBPSB. This information booklet will be made available to all parents, on our website by September 2017.

You are receiving today your daycare registration form for the 2017-2018 school year. Please continue to indicate on your registration form whether you will be paying online or by cheque. **It is very important that the information on your form is verified and corrections are made where necessary.** Don't forget to sign the back of the form as well. The registration form and any post-dated payments are due by Friday June 9, 2017.

The daycare fees are calculated according to the MEES (Ministère éducation enseignement supérieur) guidelines for a subsidized program. The current fee is \$8.15 per day per child. Please note there will be an additional increase to fees effective January 2018. In the meantime please submit payment from September to December 2017. More information on rates will be provided in January 2018. Please note the part time fees are an estimate and will be adjusted throughout the year. If you are paying with post-dated cheques please date them the 15th of every month. See chart on reverse. Parents paying by cheque must include their post-dated cheques in order for the registration to be accepted.

The educators and I look forward to a new year with your children. Enjoy your summer and we'll see you all again soon.

Ms. Laura
