1. **Analysis of the School's Situation:**

The St. John Fisher Sr. Elementary Community pledges its support for the position of the Lester B. Pearson School Board Safe School Policy with respect to school safety and security. To that end, St. John Fisher Sr. Elementary is committed to working towards eliminating all forms of bullying and violence in its community and to taking a regular measure of its school climate as it relates to these particular issues.

Proposed Actions:

- St. John Fisher Sr. Elementary will poll the student population through its “Tell Them from Me” survey to identify the student perception of bullying.
- St. John Fisher Sr. Elementary commits to having standard written reports on ISM to report incidents of violence or bullying.
- St. John Fisher Sr. Elementary will include Transportation/Bus Reports related to acts of bullying or violence as part of its general snapshot of the school’s situation.
- In-school and out-of-school suspensions and expulsions related to bullying and violent behaviour will be recorded and included in the snapshot.
- St. John Fisher Sr. Elementary will keep a general tally of referrals for bullying or violent behaviours for reporting purposes.

2. **Prevention Measures:**

The St. John Fisher Sr. Elementary Community holds firm in the conviction that education and dialogue are the keys to changing attitudes towards issues of bullying and violence in schools. As educators, we are committed to providing opportunities for all members of our community to explore these issues, share experiences, move towards a greater understanding of their underlying causes and build the capacity to rise above them. We acknowledge that changing attitudes and culture is a long-term process. To that end, established measures such as those listed below should be considered as part of a general plan to promote a safe and caring school environment.

Proposed Actions:

- The St. John Fisher Sr. Elementary Code of Conduct will be distributed to all school members and parents annually. The Code will be discussed and referenced in communications with the school community throughout the year so it remains an active document within the context of this plan.

- St. John Fisher Sr. Elementary is committed to the goals and objectives of the LBPSB Strategic Plan.
- St. John Fisher Sr. Elementary will continue to implement programs related to anti-violence and anti-bullying over the course of each school year. These programs include:
 - Student activities throughout the year
 - Phys Ed Intramurals (lunch & recess)
 - Student Social Action Committee Initiatives
 - Collaboration with the Pointe Claire Police Station 5 Community Officers
 - Community Initiatives
 - Free The Children “We Day”
 - “Pat on the Back” student assemblies
 - Pink T-Shirt Day (anti-bullying month)
 - Staff professional development using Board and community consultants
- St. John Fisher Sr. Elementary will survey students and staff regularly to determine where the ‘hot spots’ are for bullying and violence are located, resulting in increased adult supervision in these areas.
- St. John Fisher Sr. Elementary will commit to a minimum of one presentation annually by an outside organization. (team building activity, community partnership, play, concert, etc.) which focuses on the theme of anti-violence or anti-bullying.
- St. John Fisher Sr. Elementary will engage in ongoing student/teacher/staff information sessions on bullying and prevention.
- St. John Fisher Sr. Elementary commits itself to including messages regarding anti-violence and anti-bullying during student assemblies or rotating class visits over the course of the academic year.

3. **Measures to Encourage Parental Collaboration:**

Parent collaboration and cooperation is critical to the success of any plan to eliminate bullying and violence in schools. The St. John Fisher Sr. Elementary Community understands that parents are committed to the goals and objectives of this plan. It is critical that parents work with the school and engage in constructive dialogue on issues as they arise.

"The Lester B. Pearson School Board (also) believes that the school board's administrators, staff, parents, students and all those present in the school's environment have a responsibility to ensure that the right to be safe and secure is upheld."

Introduction, LBPSB Policy on Safe and Caring Schools, November 2008, p.4

Proposed Actions:

- St. John Fisher Sr. Elementary shall review and distribute the LBPSB Anti-bullying, Anti-Violence Plan on an annual basis. A permanent link to this document will be maintained on the St. John Fisher Sr. Elementary website.
- St. John Fisher Sr. Elementary will commit itself to including references and share anti-bullying/anti-violence themes at the AGM and Curriculum Evenings.
- St. John Fisher Sr. Elementary will share anti-violence/anti-bullying strategies at parent meetings with classroom teachers and discuss current classroom practices with respect to this plan.
- The St. John Fisher Sr. Elementary Code of Conduct will be distributed annually to members of the school community (i.e. Google Classroom and website). This distribution will include a mechanism for students to read, review, and acknowledge the code of conduct (i.e. student assembly, class discussion, signature in agenda).
- St. John Fisher Sr. Elementary will post information or links on its school website with relevant parent information regarding bullying, being a responsible bystander, internet safety, cyber-bullying, etc.
- St. John Fisher Sr. Elementary commits to ongoing communication between school personnel and the parents of children who are being bullied and those who engage in bullying behaviours, until complete resolution of the problem. Additionally, St. John Fisher Sr. Elementary commits to periodic follow-up communication with the victim of bullying, and his/her parents to ensure that the measures taken have been successful.
- Possible interventions to establish partnerships with parents: identify students with behavioural difficulties – school Principal/teacher makes initial contact at the beginning of the year to discuss what success will look like for that student. For students with behavioural challenges, contact (email, note, telephone call) home when positive behaviours are seen.

4. **Procedures for Reporting:**

All members of the St. John Fisher Sr. Elementary Community are entitled to a safe, non-threatening and easily accessible process for reporting incidents of bullying or violent behavior regardless of whether they are victims, witnesses or a reporting party. It is understood that our process is designed to facilitate and encourage, not impede, the reporting of incidents.

Proposed Actions (Students):

- St. John Fisher Sr. Elementary guarantees confidentiality for parties reporting incidents of bullying and/or violence. At the same time, we guarantee that the identified perpetrator is fully apprised of the details of the report made against him/her.
- Any St. John Fisher Sr. Elementary student who witnesses an act of bullying or violence is responsible to tell a staff member at school, and an adult at home so as to allow those adults to follow-up with reporting as they see fit and necessary.
- St. John Fisher Sr. Elementary confirms that any verbal report given to a staff member from a student may be documented and followed-up as needed.

Proposed Actions (Parents):

- Members of the St. John Fisher Sr. Elementary parent community who are made aware of a bullying situation or act of violence involving either their own child or another student of the school are obliged to contact the school Principal, their designate or classroom teacher. This contact and subsequent follow-up will be documented by St. John Fisher Sr. Elementary personnel.
- The reporting parent will be contacted by the school, to be assured that the situation is being investigated and that appropriate action(s) is being taken. Further details will be limited in order to insure confidentiality of parties involved.
- St. John Fisher Sr. Elementary invites the following forms of contact from parents:
 - Direct phone call to school administrator
 - Letter detailing issue or incident addressed to school administrator or classroom teacher
 - Email

5. Actions to Be Taken When Observing a Bullying or Violent Act:

No member of the St. John Fisher Sr. Elementary Community will be indifferent towards reported or witnessed acts of violence and bullying. We are committed to responding to and investigating any report we receive which suggests that an incident of violence and/or bullying has taken place amongst our population. Furthermore, we are committed to considering all available facts in a timely and efficient manner.

Actions Steps:

- All St. John Fisher Sr. Elementary staff will be committed to a zero indifference policy with respect to acts of violence or bullying or reports of said acts. All acts or reports will be investigated.
- A St. John Fisher Sr. Elementary staff member who observes or is made aware of a possible act of bullying or violence must intervene to assess the situation and take action if deemed necessary.
 - If the situation does not threaten the staff member who is a witness or who has been told of an incident, he/she must intervene immediately.
 - If the staff member considers his/her intervention in the situation successful, the student is not referred to administration. However, an intervention report must be filed and submitted to the principal if the staff member considers the incident to be one of violence or bullying.
 - The staff member may determine that the student involved in the bullying and/or violent behaviour should be sent directly to administration, depending on the severity of the incident.
 - At the discretion of the school principal or his/her delegate, police intervention may be requested in the form of a call for support from the school's Socio-Community Officer.
- A St. John Fisher Sr. Elementary student may intervene if the situation does not threaten his /her well-being and/or may choose to seek the assistance of a staff member.
- Any St. John Fisher Sr. Elementary student who witnesses an incident of violence or bullying must report the incident to the appropriate staff member in the school using the established protocols..
- Any member of the St. John Fisher Sr. Elementary Parent Community who is witness to an act of bullying or violence is obliged to report that incident directly to the school administration. The steps that are undertaken include investigation of the report, appropriate measures taken and appropriate follow-up as per Section 4 of this plan.

Note: All St. John Fisher Sr. Elementary reports regarding incidents of violence and/or bullying must be forwarded to the appropriate Regional Director in cases where students are excluded from their regular course of studies as a consequence of their actions.

6. **Measures to Protect Confidentiality:**

As part of the investigative and follow-up processes, St. John Fisher Sr. Elementary is committed to maintaining fair, accurate and confidential records of each reported incident of bullying or violence, regardless of the investigative outcome. These records will include specific details on

the incidents in question, the steps taken by the school as a consequence of its investigation and indication of intended follow-up. St. John Fisher Sr. Elementary is committed to keeping these records confidential and secure so as to protect all parties regardless of their role in the incident.

Proposed Actions:

- The St. John Fisher Sr. Elementary anti-violence/anti-bullying plan will be reviewed annually and all staff members are reminded that every incident and the follow-up must be kept confidential.
- All reports of bullying and/or violence will be kept in a secure location under the supervision of the school principal or his/her delegate.
- The above named reports will be kept in a distinct file from the Cumulative File or Confidential File of an individual student.
- In all instances and procedures, sensitivity to the fears and feelings of all parties must be kept in mind.
- Members of the St. John Fisher Sr. Elementary Community agree that in all cases involving minor students, information shared should be on a need to know basis only.
- All parties acknowledge that St. John Fisher Sr. Elementary personnel are not obliged to share information about another student with anyone but other staff and parents of that student.
- all incidents of bullying will be recorded on ISM

7. Supervisory or Support Measure for Victims, Witness, and Perpetrator:

All members of the St. John Fisher Sr. Elementary Community will be thorough in their treatment of reported cases of bullying or violence. They pledge to intervene in an appropriate manner, request the intervention of school administration if necessary and report the incident as per the process described in Section 6 of the plan.

Proposed Actions (Victim):

- A staff member will determine the severity and frequency of the incident (s) through a discussion with the student. The adult may be the classroom teacher, administrator or another staff member with whom the student is comfortable talking.
- A St. John Fisher Sr. Elementary staff member will conduct scheduled follow-up meetings with the student to ensure the bullying or violence has stopped and to provide support to the student. The degree of support offered at these meetings and their

frequency shall depend upon the feedback from the victim regarding the current circumstance.

- In all cases, a determination will be made as to which members of the school staff must be made aware of the incident to ensure that the student is safe.
- Parents will be informed immediately following the incident and regularly updated until the situation is resolved. Referral for counselling through the LBPSB Student Services Department or through outside referral will be requested when deemed appropriate.
- The victim will be engaged in discussion or follow-up meetings with their support contact to ensure establishment of a sense of security.
- In some cases, the school team may suggest a referral to the school social worker or make a CSSS referral for victim services.
- The St. John Fisher Sr. Elementary team may suggest the involvement of the victim in a social skills group.
- The St. John Fisher Sr. Elementary team may suggest referral to an outside agency for support or services if it feels such services are warranted.
- The St. John Fisher Sr. Elementary team may suggest specific therapeutic intervention after consultation with professionals from the Student Services Department of the Lester B. Pearson School Board.
- In all cases, victims of bullying or violence should have a reasonable expectation of feedback from intervening staff member in a timely manner so as to guarantee a sense of safety and security in the school.

Proposed Actions (Bystander):

- Following the incident, an intervention may be held with any bystanders to determine their role in the incident. If the incident witnessed is severe, bystanders are met, in a group or individually, to debrief the event, discuss their role and to determine more appropriate actions in the future.
- Consequences are applied, if appropriate, for students that are actively involved in encouraging the incident.
- St. John Fisher Sr. Elementary reserves the right to contact the parents of bystanders when it feels such contact is appropriate.
- As with victims, witnesses to acts of bullying or violence should have a reasonable expectation of feedback from intervening staff member in a timely manner so as to guarantee a sense of safety and security in the school.

Proposed Actions (Aggressor):

- The initial intervention with the perpetrator is managed by the St. John Fisher Sr. Elementary staff member who intervened and the incident is reported to the office.
- The adult who intervenes or an adult who is told of an incident makes a report to the office (or the person designated to receive reports) with a request for follow-up investigation. Once an investigation has been completed and the incident is confirmed to be bullying and/or violence, the St. John Fisher Sr. Elementary Principal or delegate meets with the aggressor. The aggressor is told of the report, discusses the incident and is given a consequence.
- The aggressor's parents are called and informed of the incident and the consequences. The parents may be asked to come to school for a follow-up meeting.
- In cases where it is deemed necessary and appropriate, St. John Fisher Sr. Elementary may refer the aggressor and his/her parents to support services available to the school.
- St. John Fisher Sr. Elementary is responsible to inform parents of their right to request assistance from the person designated by the School Board for referral to support services.

These sanctions will always be applied with the understanding the long-term objective is for rehabilitation and reintegration and that the safety of the whole will never be subordinate to that objective.

"Any disciplinary action must be fair, equitable and consistent with the general aims and goals of education. Whenever possible, the disciplinary action should allow for effective learning."

- Students may lose basic school privileges (lunch hour, recess, extra-curricular activities, attendance at outside events, etc.) for a designated length of time.
- St. John Fisher Sr. Elementary may implement a structured supervision plan of the aggressor during free time where he/she is shadowed and monitored in his/her actions. This supervision plan will include a gradual release back of free time (e.g. 5 minutes each day) depending upon the perpetrator's conduct during the supervised periods.
- In-school suspension supervised by St. John Fisher Sr. Elementary personnel.

9. Required Follow-Ups:

The St. John Fisher Sr. Elementary Community recognizes that once the initial investigation and response process has been completed, supervisory or support measures may need to be put in place for the perpetrator, the victim and, when deemed necessary, the witnesses to an act of bullying or violence. The extent of these follow-up measures will depend upon the nature of the incident and the degree to which it is believed that long-term intervention is necessary.

Proposed Actions:

- St. John Fisher Sr. Elementary commits to ongoing discussion with the victim and, if necessary, his/her parent regarding the school's intervention and any actions required subsequent to the initial investigation and intervention.

- St. John Fisher Sr. Elementary will not be indifferent to instances where witnesses, to acts of violence or bullying, fail to intervene or report such incidents to an adult in the building. In such cases, St. John Fisher Sr. Elementary commits to making the bystander aware of the school's expectation and his/her responsibility to intervene or report in such circumstances.
- St. John Fisher Sr. Elementary will meet with the perpetrator and his/her parent(s) to discuss possible further sanctions and further consequences if another act occurs. The contents of this meeting will be documented and recorded for future reference if necessary.
- A summary report of the incident and follow-up measures taken are sent to the appropriate officials.
