

Welcome Back!

The new school year 2016 – 17 is underway! The St. John Fisher Jr. Team received the students yesterday with open arms. All 251 students were eager to get to class. We would like to thank the caretakers for their hard work in trying to get the school ready for the first day of school.

I would like to take this opportunity to welcome the new students and parents that are joining this great learning community.

Please note that I plan to send a monthly news bulletin that will be sent via email to all families who have provided an email address. The bulletin should appear at the beginning of each month and will be posted on the school website at the following address: <http://stjohnfisher.lbpsb.qc.ca/>. A few hard copies will be made at the office by request only as we are cautious about our environment footprint
