June 2017

A Message from the Principal

June has finally arrived! The last day of school will be **June 23rd** and it will be a **shortened day** as dismissal is scheduled for 11:30 a.m. Busses are scheduled to leave at 11:40 a.m. and the daycare will be open until 4 p.m.

School BBQ

Thank you all for planning to attend the family BBQ tonight. Looks like the weather is finally cooperating! It is nice to be together as one community and celebrate together the end of yet another school year. Thank you to the Home and School for preparing this fabulous event for the SJF community.

Energy cubes @ BH

The Grand Défi Pierre Lavoie "GDPL" was very successful yet again this year and we accumulated up to 16,000 energy cubes for our school. We were the only Junior school entered for LBPSB and we were 6th out of 11th LBPSB schools after the third week of the GDPL challenge.

Thanks to all who participated and I hope that you will all continue the good habit of staying active as a family.

School improvements

During the summer months, there will be some minor construction projects going in our school building. Most of it will be of an aesthetic nature, but painting the library, upgrading the staff room and revamping the computer lab will be some of the priorities.

Gardening Anyone?

We are looking for helpers to work on the elevated garden section (section of the "ugly flag pole") for a special retirement gift for Ms. Sue. Anyone who can donate sometime to pull the roots and prepare the ground for new soil will be more than welcomed. Contact the school if you are able to volunteer. Thank you in advance for making this happen for the school and Ms. Sue.

School outing

Several school outing are being planned at this time of the year and making good use of the Green SJF t-shirt given by the Home & School is always a good idea in order to identify the students while on an outing. If the green t-shirt does not fit anymore any SJF apparel is a smart way to go. Thank you for the parent reminder on this matter last week at the gate. You know who you are...

Peaceful School

JUNE! With the sunny days of summer in sight, our school year draws to an end. As we bid farewell to our grade 2 students, we trust their lives will reflect in good measure those lessons learned throughout the three years spent at our Junior school. A bright future lies ahead of them!

“You have brains in your head.
You have feet in your shoes.
You can steer yourself
any direction you choose”.
