

SJFS NEWS NOVEMBER 7th-11th,2022

I trust that you enjoyed your weekend. The gorgeous weather on Saturday was a blessing to all ! Clocks went back last Saturday!

Keep entering your child's absences on Mozaik. This is very helpful.

Drop Off Zone is getting congested and places your children at risk. We ask you to not leave your car unattended and follow the protocol. The zone has to be in a continual flow. Thank you.

With colder weather approaching ,please make sure that all coats , mitts ,scarves are identified with your child's name. (boots included if possible?)

Reminder to sign and send in the Social Media Permission Form ASAP. This can be found on Mosaik. We are required to have this in our office by the end of the week. Thank you.

Parent /Teacher Interviews on zoom . We will be sending out information this week on how to book your appointments with our Teachers. There will be a few days available so that you can book online **only**.
