

SJFS NEWS- November 21st-25th

I trust that you all have had a relaxing weekend filled with fun and laughter.

At SJFS we are doing our best to instill that all students: Respect themselves in the way they behave, Respect others and Respect the environment that surrounds them.

It is imperative to remind all students to wash their hands after using the bathroom. This will help stunt the spread of germs.

Friendly Reminder to send a pair of shoes with your children, as boots are not permitted in class. With the cold weather that is here to stay: all should come to school dressed to go outdoors during recess, lunch and after school.

CBC -Music Challenge: Last Thursday the whole school participated in this amazing contest where they all sang together in the gymnasium. They sang to their heart's content, led by our rock band. Many thanks to Mr. Arless and M. Victor for all of their tedious efforts and for believing in your children. Best of luck! Winning the prize would be an added bravo to this fantastic experience.

Many thanks to the Teachers & Stagiaires for a successful P/T Interview Sessions. It was very nice to see many parents booking appointments and meeting with the teachers. Let us know if you didn't have any success in setting up an appointment.

Holiday Fair at SJFS- HANDS organized a tremendous Fair with many vendors, concession stands, massage area, decorating table and lots of other activities. Many thanks to a super team. Special thanks to all of the volunteers. Thank you to all of you and our community who dropped by to say hello and who generously purchased gifts, baked goods and useful products. A great time was had by all. We appreciated all of Justin's (caretaker) assistance.

Daycare Movie/popcorn Outing was enjoyed by all Daycare students. Thank you Ms. Laura and the fantastic team for taking our students and making it an amusing time.

Wishing you a safe week!

Kindest Regards, Lucy Glave
(Interim Principal)
